

A UNIQUE CODE TO CONFIRM ALL YOUR OPERATIONS ON BMCE DIRECT!

WHAT IS THE MOBILE CONFIRMATION?

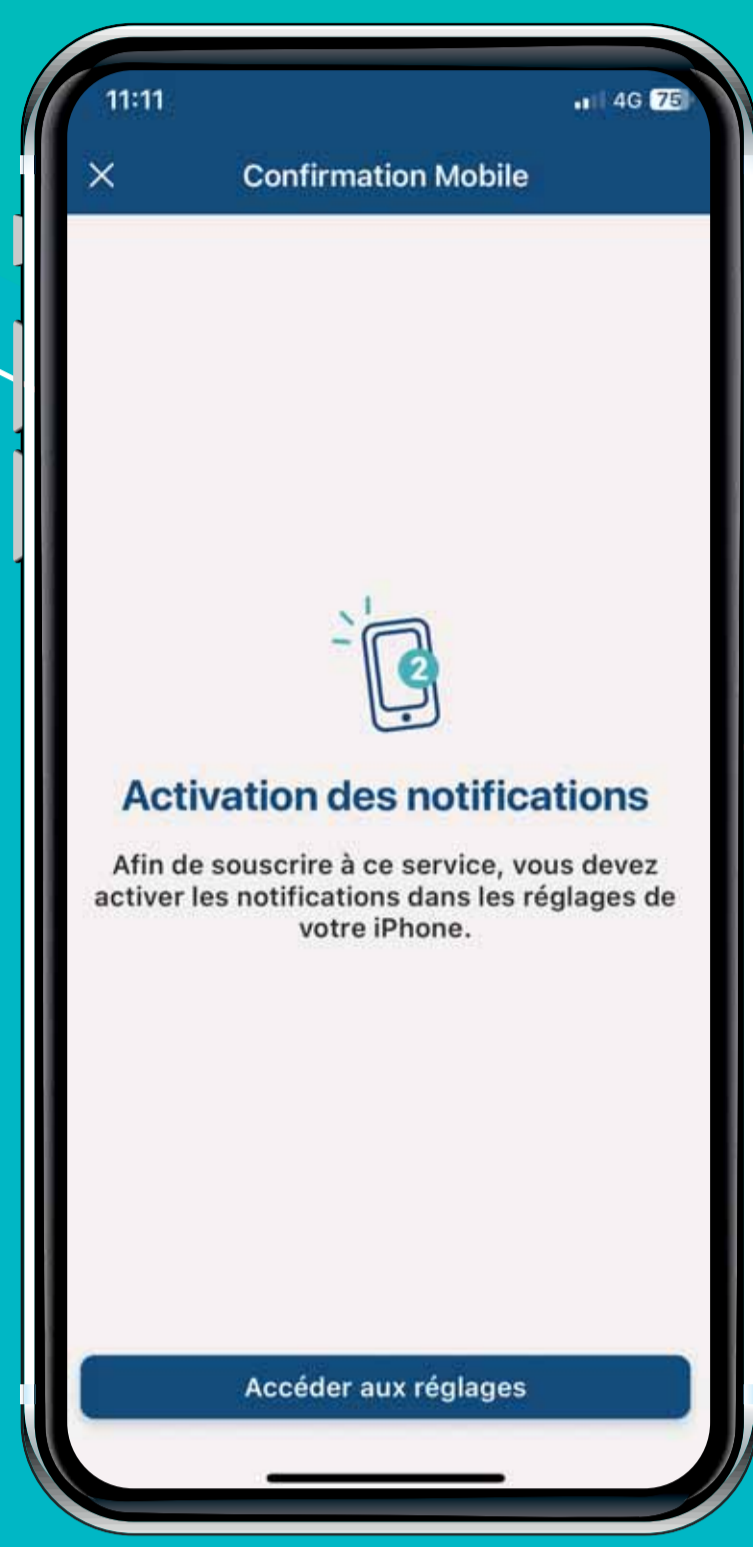

Discover our new Mobile Confirmation solution that further strengthens the security of your online banking transactions on your BMCE Direct portal! You can now carry out all your banking operations (transfers, provisioning, bill payment...) using a unique security code!

WHAT ARE THE STEPS TO FOLLOW?

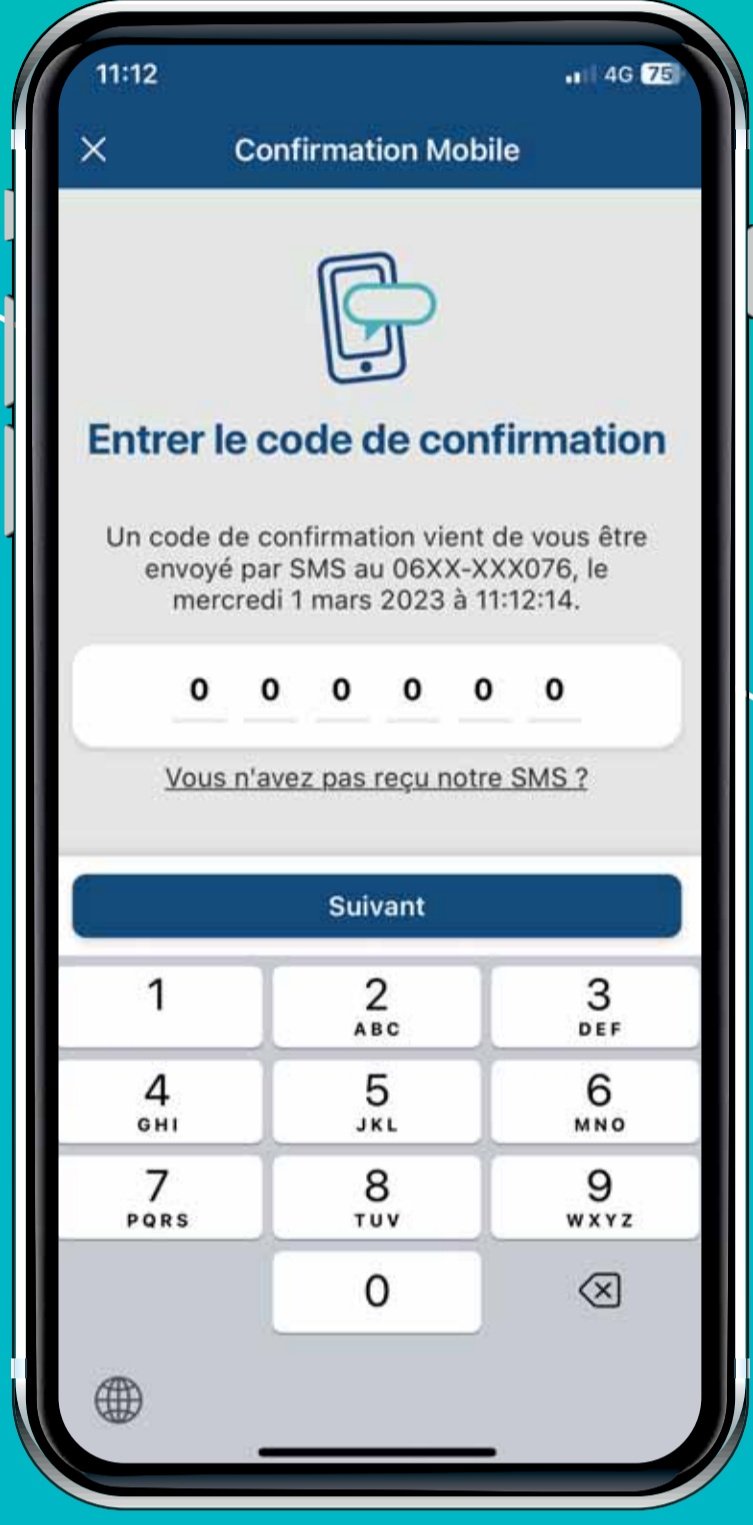

STEP 1: Launch the application, a message presenting the Mobile Confirmation will appear on your screen.

STEP 2: Activate the notifications of your BMCE Direct application in the settings of your phone.

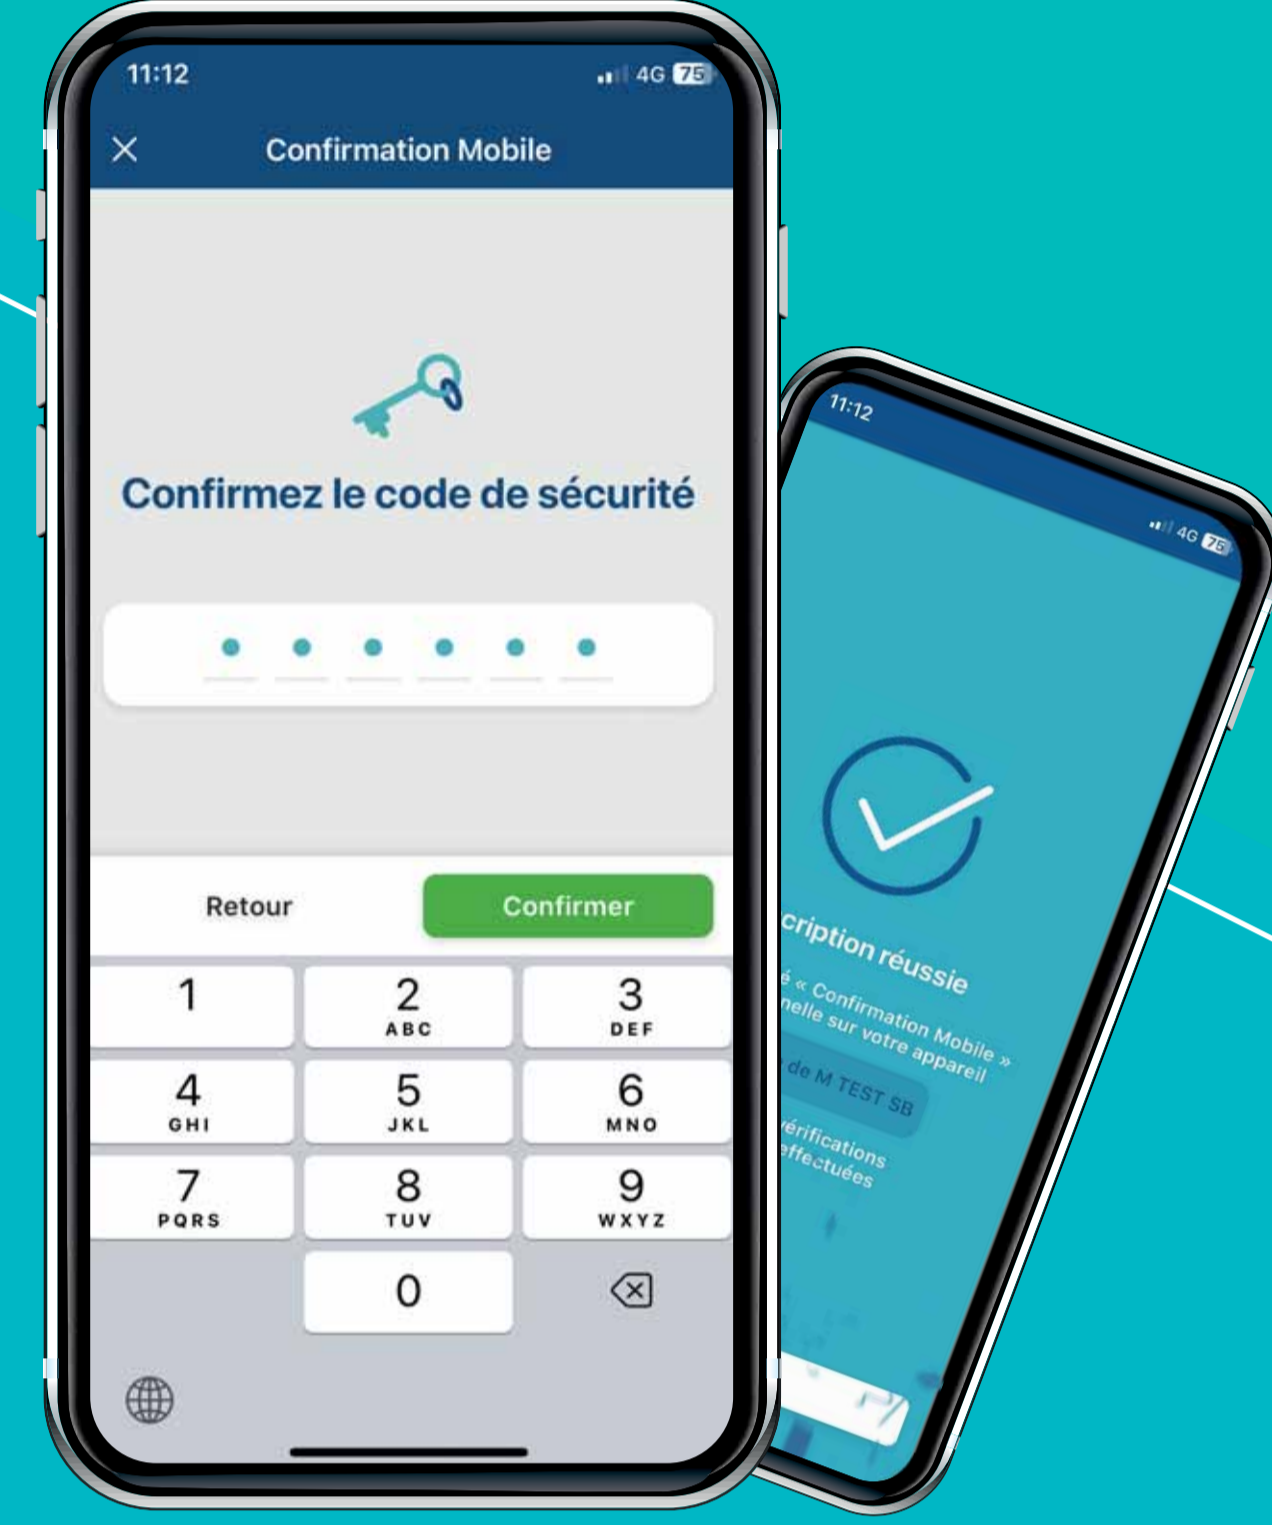

STEP 3: Enter the name of the device you want to associate with the Mobile Confirmation.

STEP 4: Enter the confirmation code that will be sent to you by SMS to activate the Mobile Confirmation service.

STEP 5: Choose the 6-digit security code that suits you. This is the one that will be requested when confirming your various operations.

STEP 6: Confirm the code entered one last time. Remember it, you will be asked for it every time you confirm a transaction. Congratulations, the Mobile Confirmation feature has been successfully activated.

HOW CAN YOU USE THE MOBILE CONFIRMATION SOLUTION?

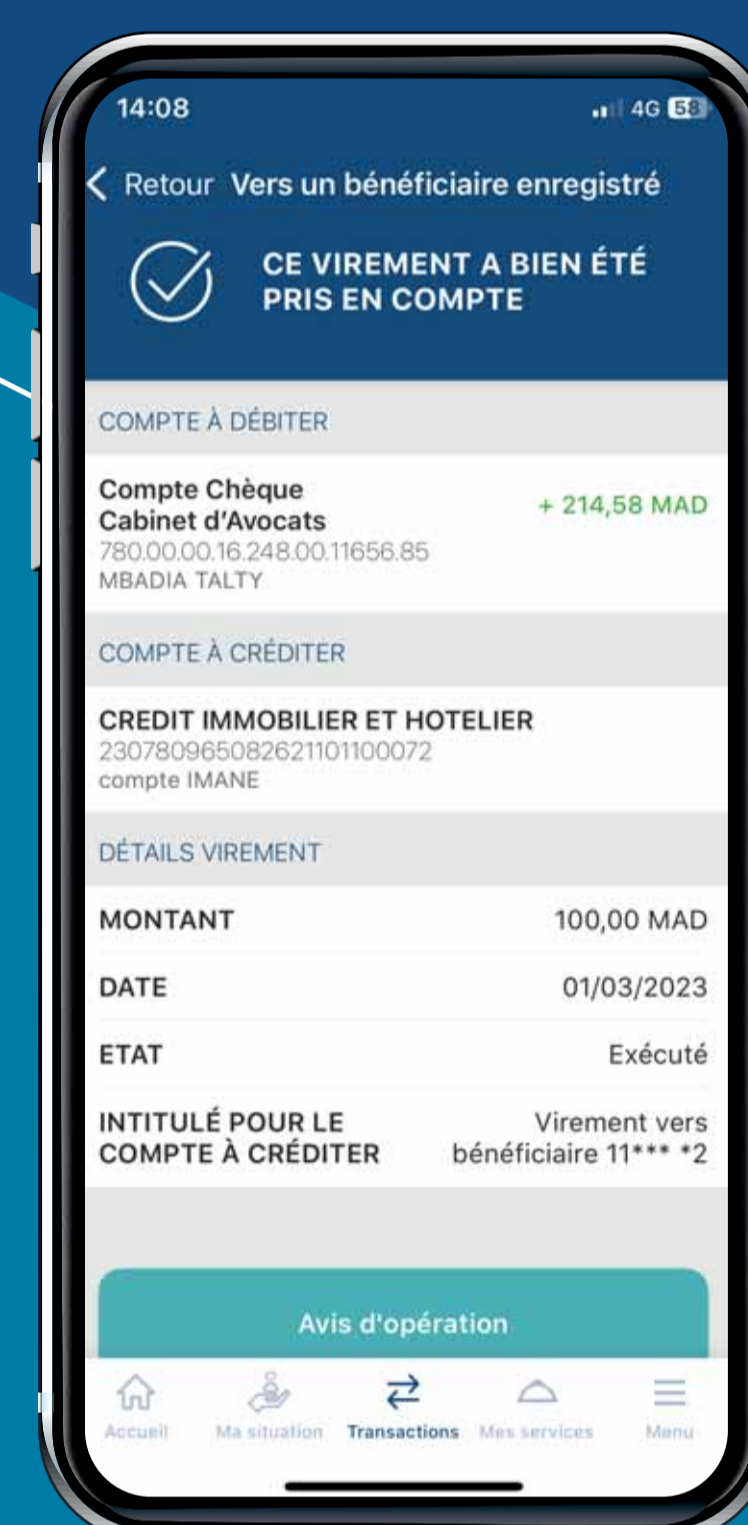

If you want to make for example a transfer to a beneficiary of your choice, you just have to proceed as follows:

1 Initiate the transfer in the usual way.

2 Enter the security code you chose when you activated the service.

3 Confirm the operation. If the code is correct, the transfer will be validated.

In the same way, you will be able to execute all your different operations.
